Ndejje University's MARI Team Inspires Mityana Secondary School Students

As Ndejje Week draws to a close, the MARI team embarked on a meaningful mission to Mityana Secondary school, sharing valuable career guidance with students. The visit aimed to empower learners with insights and inspiration for their future paths.

The sessions, divided into two groups, catered to the needs of S2-S3 students and candidate classes separately. Charlene Mugalula, University PRO, led the younger group.

MENTORSHIP SESSIONS

The MARI team's visit underscored Ndejje University's commitment to serving the community and empowering the next generation. The school visit served as a timely reminder that "the choices today determine tomorrow."

Mr. Martin Ashaba guided the candidate class on subject combinations and career choices during an interactive session.
